3 Tells the story of Earthia to the Wandering Traveler

WT: "I am just a man looking for a story. A new one. One I have never heard. Dragon, do you have such a story? I have heard many but I feel you have one to tell."

DoT: "... You want a story? Ha Ha!" he chuckled softly. "Have you heard the Sorrow of Earthia?"

WT: "Earthia?"

DoT: "You have not?" He climbed down from his perch of books, carrying one in his claws, "Here lad, write this one

America is powerful
we can save people

There is other countries that has money and military power like U.S., they should give their support just as much as us!

Some of the money doesn't help

Sometimes the money we give doesn't help even some countries, it doesn't help develop economic aid and education to some countries

Were not the only country to go to for help.

Were more likely to make enemies

"no one likes unrelated people involving in their private business"

SHOULD THE U.S. GET INVOLVED IN OTHER COUNTRIES CONFLICT???

We need to help ourselves

America has almost 500,000 people who are in poverty.

Our current president is enough trouble

Were in Debt plus if barley helps

"we are the world's largest bilateral donor, we spend at least \$48.4 billion - 31.2"

"Donald trump made the"

BUT THIRD WORLD COUNTRIES NEED OUR HELP
